# ASSIGNEE SALE.

OF 5TH AVE. AND 14TH ST.

Yesterday we printed a pageful of prices showing what we are doing in the big store this week. Here is another pageful -and not one item repeated from yesterday's list. It is more than remarkable. It is extraordinary.

Remember that the sale is cumulative. All the good things advertised yesterday are still on sale. All that are advertised to- Infants' hand-crochet worsted day will be kept on sale. Nothing is reserved. There will be tafants' Flannel Sacques, with no stop until every dollar's worth is sold.

We have had great sales heretofore and have given some surprising values. But never in all our long experience were we able to offer anything like the values on sale this week.

The great crowds at our various counters make it impossible for us to fill mail orders for many of these items. We recommend an early personal selection as the best way to secure these extraordinary values.
